

TIME TO SPREAD SOME SWEET SWEET

LOVE

WE HOPE YOU ENJOY YOUR FREE PRINTABLE  
VALENTINE'S & GALENTINE'S DAY CARD. HERE'S  
A COUPLE THINGS TO HELP YOU GET STARTED:

- The card, once folded, measures 5 x 7 inches but the design measures 10 x 7 inches.
  - I recommend printing on a letter-sized paper (8.5 x 11 inches) and cutting out your card(s). Crop marks are included on the design.
  - If you do take the design to a professional printer, I would recommend a 80lb stock with a matte finish.
  - After you're done, we want to see your card(s)!
- TAG US @DEERYARDDESIGNS**
- Cards are for personal use only
  - Not for redistribution or resale
